

## PLAYDATE

June 25, 2010 1 – 4 pm in Fayetteville, AR

**Play Therapy Training for Supervisors** –3 hours credit towards supervision (This is not the same as general play therapy CEUS)

Leigh Wade, LCSW, RPT–S will teach this topic. Please email her if you wish to attend, [lwade22@cox.net](mailto:lwade22@cox.net) “Vicarious Trauma, what is it? And how can you use play therapy techniques to support awareness, identification and healing in your supervision sessions.”

- Objective 1: Participants will gain a working knowledge of vicarious trauma and the impact it has on the supervisees.
- Objective 2: Participants will use one kinesthetic group play therapy technique to enhance cathartic processing in supervision sessions.
- Objective 3: Participants will experience at least 4 play therapy techniques to use in supervisory sessions to explore vicarious trauma (handouts will contain more techniques.)

**Cost:** Free to members and \$35.00 to non–members

**Location:** #1 West Sunbridge Drive, Psychology Counseling and Associates (please use the side entrance on New School Place.)
