

ArAPT Board Meeting Notes

Date: 4/14/23

Location: Zoom

Present: Rodney Fry, Rachel Olienyk, Morgan Bailey, Michelle Cox, Hailey Thomas, and Laura Simmons

Annual conference 2024- (February 23rd-24th)-

Venues- It was decided that we would pursue the University of Central Arkansas as a venue. Hailey will follow up with them about getting that exact payment and contract started.

Speaker- Scott Riviere- Rodney will follow up with him about topics and blending in ethics and/or diversity offerings within his own topics. We agreed that having him both days would be good but having him present on different topics to attract more participants.

Newsletter- Rachel will send out newsletter for April: new Board members, Lunch and Learns, advertising for UofA play conference, and welcoming new RPTs

Email- Morgan will reach out to Nick Cornett about getting permission for all Board members to access email and Google Drive

Lunch and Learn- Bianca- May 5th from Rachel will reach out to see if she needs anything from us. There are about 15 signed up right now (including Board members). We are sending an email with link (provided by Rachel) the week before and day before event.

End of term- Iris Negron (Treasurer), Michelle Cox (VP), and Margaret Hindman (Member at Large) are rotating off of the board and Laura Simmons (Member at Large), Hailey Frost (Treasurer), and Kristy Goodwin (Member at Large) are rotating onto the Board. Rodney Fry is moving from Member at Large to president and Morgan Bailey is moving from president to vice-president. Rachel Olienyk will stay on as secretary.

Gold Branch- Laura will start sending out the Outreach form monthly and collecting that from each of us to keep up with the quarterly paperwork for Gold Branch.

Next meeting: Friday, May 12th but looking at different times to accommodate an in-person meeting to transition bank cards, etc.
